

## Monroe County Senior Ride Resources for Voting Day

### RTS

For voters who use RTS, they can take advantage of the early voting location at the old SUNY Brockport Building, **55 St. Paul St., Rochester, NY 14604**, across the street from the RTS Transit Center.

- If someone lives in one of the buildings RTS is providing a bus, they should work with their building manager. The capacity on each bus is limited due to Covid-19, so voters who want to use one of these shuttles need to work with the designated contact.
- For those who live in areas not well served by RTS buses, RTS is making On Demand vehicles available. Voters who need a ride should call the **Board of Elections (BOE) at 585-753-1550**. If BOE does not have a way to get them to the polls, they will provide instructions to access On Demand service.
- People should NOT call RTS directly. They do not have the capacity to coordinate rides.
